Product: COMPRESSION PIPE PLUG

Pipe Schedule: Various Schedules

Size Range: 1" Thru 8" (other sizes on request)

IK's **Compression Pipe Plugs** features the proven principle of solid polyurethane seals. Larger diameter plugs have the multi-seal design complete with ceramic grit.

The seals are manufactured from high performance polyurethane elastomer.

The body is manufactured from high-grade carbon steel.

General Function and Application

- Easy to install and remove.
- Size range 1" thru 8"
- Recommended for medium pressure hydrostatic test applications up to 10 bar (size dependent).
- Proven polyurethane seals.
- Non-standard sizes and pressures available.
- Available for horizontal or vertical applications
- Available with single, double or multiple seals
