

Pneumatic Test Balls/Plugs

Product: **Test Ball® & Muni-Ball Pipe Plugs**

Size Range: **3/4" to 96"** (*Other sizes on request*)

Pipe Schedule: **Various**

We offer Pneumatic Test Plugs different sizes for sale & hire

IK's Pneumatic Test Ball & Muni-Ball Plugs have been the contractor's choice since 1953. Used in residential DWV systems and sanitary/storm sewers, IK's pneumatic pipe plugs do it all! Larger sizes are available with a Rupture Disc Technology, which prevents over-inflation. This eliminates plug damage due to over-inflation and enhances user safety.

General Function & Application

- Manufactured from natural rubber bladder
- By-pass facility available on some products
- Suitable for single barrier isolation
